

Concession on data charges

(i) Research Bodies/Institutions under MOES (Ministry of Earth and Sciences)

: To all those scientific and research institutions under

MOES the Meteorological data are supplied without any charges , provided they are routed through/ approved by the Head of the

Institution.

(ii) Educational Institutions : Any Indian educational and research institution, for the benefit of their students in the academic progress, can

avail supply of data on free of cost by becoming a registered member with IMD. This facility will be for one year which can be renewed

subsequently for every year. The Registration fee is Rs 5000/- and renewal fee is Rs.1000/-. The details are given on Pune website.

(iii) Individuals : In order promote research in Meteorology and allied sciences, to all the individual researcher/ scientist from recognized

educational and research institutes, only 5% of data cost is levied.

(iv) Others : Those categories NOT covered under the above (i) to (ii) are considered as commercial users and they are charged as per the

prescribed rates/tariffs which is also displayed on the website.

ALL PAYMENTS ARE ACCEPTED ONLY AS :

Demand Draft only on any Nationalized Bank , favoring " Additional Director General of Meteorology (Research) " payable at Pune.
