Thiruvananthapuram – 695 033

- Research Bodies/Institutions under Ministry of Earth and Sciences (MOES) : To all those scientific and research institutions under MOES, the Meteorological data are supplied without any charges, provided they are routed through / approved by the Head of the Institution.
- Educational Institutions : Any Indian educational and research institution, for the benefit of their students in the academic progress, can avail supply of data on free of cost by becoming a registered member with IMD. This facility will be for one year which can be renewed subsequently for every year. More details are provided under 'Registration Procedure'.
- Individuals : In order promote research in Meteorology and allied sciences to all the individual researcher / scientist from recognized educational and research institutes, only 05% of data cost is levied.
- Others : Those categories NOT covered under above are considered as commercial users and they are charged as per the prescribed rates / tariffs which is also displayed on the website of IMD Pune i.e. <http://imd pune.gov.in/>.
