GOVERNMENT OF INDIA
INDIA METEOROLOGICAL
DEPARTMENT
(Ministry of Earth Sciences)
METEOROLOGICAL CENTRE
VikasBhavan P.O.
Thiruvananthapuram - 695 033

- Research / Educational Institutes other than those which come under the Ministry of Earth Science can register with IMD with their specific details of project so that data can be given to them free of cost. In case of supply of the derived products / reports from basic (observed) data like Satellite products, Seismic products, Doppler Weather Radar products, periodic weather reports, wind rose diagrams, design storm parameters, return period analysis, mean data etc., 25% of the cost of the products / reports are to be levied from Research Institutes of India or Foreign. The registration charges is Rs. 5000/-.
- Students and Researchers should submit their authentic and bonafide certificates from the heads of colleges / institutes to get the data. They should avoid undesirable hoarding of data by individuals.
- Frequent data requests are subject to approval of competent authority of IMD. However, the same may be restricted once in two months.
- Due acknowledgement of data supply by this office should be indicated in all your project / publication/ analyses / reports / documents etc.
- Requests without Registration number / having validity expired will be charged as per departmental policy. Parties in their own interest may attach the copy of this letter at the time of every request.
- The registration can be renewed after one year by making payment for Rs. 1,000/- along with the renewal form
- The application for the new Registration shall be made online on this site.
- After Registration, the data request form duly filled and signed by competent authority shall be submitted which is to be accompanied by the Certificate of Undertaking.
