

FOR INDIAN EDUCATIONAL RESEARCH INSTITUTES ONLY REGISTER WITH IMD AND HAVE DATA AT FREE OF COST !

The department has revised the policy regarding supply of meteorological data to the Indian educational research Institutes **with effect from 1st April 2009**.

The educational research institutes (other than those which come under Ministry of Earth Sciences) should register with IMD on prescribed format with specific details of the project so that the data can be supplied under this facility.

The research divisions of private / commercial companies / NGOs are **NOT eligible** for the registration facility. Also, this facility is **NOT applicable** to those with projects funded by the outside / external departmental agencies, which should be certified by the Head or the competent authority of the institute.

The **registration charges are Rs. 5000/-** and it **is valid for one year**. It has to be **annually renewed** by duly filling the renewal form along with the payment of Rs. 1000/-. IMD will scrutinize the registration application and will intimate to the party by confirming the registration and allotting a number which has to be always referred by them while requesting for the data. Registered parties may also please note the following for strict compliance :

1. The registration / renewal charges are accepted only by Demand Draft on any nationalized bank favouring "Additional Director General of Meteorology (Research)" payable at Pune.
2. Under registration, only the basic meteorological records/data from the archives can be supplied. The derived products such as publications, gridded-products, satellite data, etc., can **NOT** be supplied.
3. The bulk supply of data **exceeding 1 lakh records or a total of 10 Mb** size are **NOT** considered as per department's policy
4. The request for registration / renewal along with its payment is accepted only in the prescribed along with the forwarding / covering letter by the Head / competent authority on the institute's letter-head.
5. Hourly and daily **data prior to 1969 are NOT available**
6. Data requirements should be furnished in the prescribed format only
7. Renewal application along with prescribed fees has **to be received by this office strictly before the expiry of the validity period**
8. Please visit www.imdpune.gov.in under supply of data for more information on supply of the weather elements, availability and types of meteorological data, etc.,
